

# HOME SAFETY CHECKLIST

Before you leave for vacation

- Stop all incoming mail, packages and newspapers
- Share your key with a neighbor or install smart locks
- Install and update home security system and/or cameras
- Lock all doors and windows
- Set up any automatic outdoor lights to turn on at night
- Put all important documents and money in a lockbox
- If wintertime, set your thermostat to avoid frozen pipes
- Make sure all appliances are turned off or unplugged
- Park your car inside a garage, if you have one
- Turn off water valves to dishwasher, washing machine & sinks
- Make sure smoke detectors are working properly
- Leave your emergency contact info with a neighbor
- Review your homeowners insurance policy
